

STEWART FIELD
NEWBURGH, NEW YORK

Tuesday
7 p.m.

Dearest Dottie,

Things are looking dark,
very dark. Ol' man weather
has really closed in up
here for the past two
mornings. We are now
six hours behind schedule,
and one more day of
fog means we fly Saturday
afternoon. Of all the times
for that to happen. Gosh
Dottie, even Nature's against
me. It's not positive
that we will fly this weekend,
but if we do, I'll
call you Thursday night,
about seven o'clock.

So Keep your fingers
crossed, beautiful.

I almost got in the
movies today. There was a
Pattie News Cameraman
up here taking pictures of
the new parachute training
class we have. He wanted
everyone in blue sweat
clothes, and naturally I only
had my green ones. So
when you see the newscast,
look for a dejected looking
figure, dressed in green,
sitting on the sidelines,
that's me! Well, things
are tough all over I guess.

I've got some Navigation
to do, so I'll have to sign off.

Remember, if I don't call
Thursday, come on up # Saturdays.
